

## Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

### A Splendid Show.

The Walter Main circus which appeared in Ocala Wednesday, the 21st, was undoubtedly the best that has ever been in our city. Every part of its program was new and up-to-date. The one act of Prof. Tassellier with his sixty-three trained horses is alone worth the price of admission. It far surpasses even the shows that make a specialty of equine performances. The quintette of ariel performers is also a wonder. The difficult feats of each member was entirely new, and the leaps and mid-air performances, each fraught with great danger, were marvelous. To enumerate all the excellent performances would fill more space than we are at present able to give, but suffice it to say, they were all fine.

The concert, "the best and finest part of the show" was in this instance exactly what was promised by the management. About three-quarters of an hour was devoted to some of the best singing dancing, etc., ever witnessed by an Ocala audience at a similar entertainment.

All in all Walter L. Main's is the best, cleanest, most up-to-date show ever exhibited here. The absence of the gambling and catch-penny devices usually found attached to shows of this character was especially noticeable.

If you have sore throat, soreness across the back or side, or your lungs feel sore or tender, or you are threatened with diphtheria or pneumonia, apply Ballard's Snow Liniment externally, and use Ballard's Horsehold Syrup. Anti-Monopoly Drug Store.

### The Sheridan-Cochrane Co.

Represented by Sara Mae Donald Sheridan and Miss Cochrane, will give their first great musical and elocutionary program at the armory on next Saturday night.

These artists are of the first rank and their names are a guaranty of a very high class entertainment.

The program is under the auspices of the Ocala High School and is deserving of most liberal patronage by everybody.

To Mrs. Sheridan:

When she was singing, singing,  
Birds o'er green fields went winging;  
And Spring, in places soft and sweet,  
Laid all her lilies at Love's feet,  
When she was singing, singing.

When she was singing, singing,  
The sweetest bells were ringing,  
And from this senseless, earthly sod,  
I lifted streaming eyes to God,  
When she was singing, singing.

—Frank L. Stanton.

### Thanksgiving in Ocala.

This day was generally observed in this city. The banks and most of the stores were closed. Union services were held in the Methodist church and an eloquent, beautiful and most appropriate sermon was delivered by Rev. Mr. Morris, the Presbyterian pastor. The famous thanksgiving turkey, with all of its concomitants graced most of the dinner tables, and, except in a few homes, the day was enjoyably spent.

### Mr. D. S. Parr Dies.

Mr. Stewart Parr, son of Col. and Mrs. L. J. Parr, died Wednesday morning, of consumption. He had been an invalid for years, and death came to him as a release from great pain and suffering. Mr. Parr was thirty-three years of age.

The funeral took place at 10 o'clock Thursday morning from the residence, Rev. Howard Dutil, of the Methodist church, conducting the services. The remains were laid to rest in the old cemetery.

### Cane Grinding.

Quite a crowd of Ocala people drove out to Kendrick Tuesday night in a big covered wagon to a cane grinding. They went to the mill of Mr. E. C. McLeod, where they were met by this hospitable gentleman and his wife who made them all feel at home. The party spent a most delightful evening chewing cane, drinking the juice, making and pulling syrup candy. They returned to town about midnight.

### Capt. Bill Kendrick Dead.

Capt. Wm. H. Kendrick, one of the best known men in Florida, died at his home in Jacksonville Tuesday afternoon in the 78th year of his age. He served in the Indian war of 1856 and in the civil war of 1861-5. Florida never developed a greater genius in his line, and he did a great deal in the development of the state.

Means comfort, peace and health. The blood can't circulate through poor feet cramped and pinched into tight shoes or shoes of unnatural shape. The feet suffer from corns and bunions, and the sluggish circulation affects the entire health.
